Welcome

Great-West Life is pleased to welcome you to your Sherwin-Williams Canada Inc. Savings Program. By joining you'll have access to superior tools to help you achieve your financial goals. Once you have completed one year of continuous service, you will automatically be enrolled in the Pension Plan on the first month of your date of hire, and employer contributions will be made on your behalf. You will also be entitled to a matching component if you participate in the Group RRSP or EPSP component of the program.

You can enroll in the Group RRSP or EPSP immediately (but there will be no employer match until you have completed one year of continuous service). You will be provided with complete program highlights once the eligibility requirements have been met. For now, you can make your own contributions to start saving for your retirement goals. Your plan offers competitive investment management fees, and the ease of contributing through payroll deductions, so take advantage of these great benefits and join today..
