

Prince Edward Island: Health PEI

<https://www.princeedwardisland.ca/en/topic/health-care-coverage>

Phone: 902-368-6130

Toll-free: 1-800-321-5492

Covered services:

- Physician and hospital services
- Drug plans, depending on your income
- A portion up to the full amount could be paid for home care, palliative care, long-term care; addiction and mental health services, and drug programs
- Dental public health services
- Chronic disease prevention and management
- Public health nursing
- Diabetes program, community nutrition, cancer screening programs, speech language pathology services, etc.
- Ambulance services are *not* generally covered; however, they are subsidized for Island residents in certain situations
- Out-of-country coverage: Travel coverage includes emergency or sudden illness coverage. Fees are reimbursed at PEI rates.
- Supplemental Insurance is strongly recommended
