

New Brunswick: New Brunswick Medicare

<http://www2.gnb.ca/content/gnb/en/departments/health/MedicarePrescriptionDrugPlan/content/medicare/CoverageandClaimsInsideNewBrunswick.html>

From within North America: 1-888-762-8600

From outside North America: 506-684-7901

Covered services:

- Drug coverage is available under the New Brunswick Drug Plan, which is intended for those without drug insurance
- Physician and hospital fees and most medically required services provided in a physician's office or hospital
- Some dental services performed in a hospital
- Hospital standard accommodation and meals, nursing service, drugs administered while in the hospital, diagnostic services and therapies
- Out-of-country coverage: Out-of-country costs are not covered, except for emergencies, at a maximum cost of \$100 per day. New Brunswick residents travelling outside the country are advised to obtain private medical insurance coverage
- Supplemental Insurance is strongly recommended
